PART 1 - BACKGROUND AND OBJECTIVES:

- 1. Destination British Columbia (DBC) has a long standing relationship with the six tourism regions including this Region. Although these regions represent DBC in a number of capacities in accordance with this Agreement, these regions are independent organizations with their own boards and governances.
- 2. DBC and the Region anticipate mutual benefits to be derived from continued cooperation that will capitalize on complementary resources, improve access to strategic markets and contribute to attaining their common goals. The Region accepts the responsibility to represent the goals and objectives of DBC and its provincially-funded marketing programs and initiatives, as outlined in DBC's *Service Plan*, provincial tourism strategy and goals and as communicated from time to time by DBC's staff.
- 3. The Region's and DBC's program staff pledge to conduct themselves in a respectful and cooperative manner to achieve the objectives of this Agreement.
- 4. DBC and the Region recognize that coordination of marketing and development activity with the private sector is beneficial to increasing the effectiveness of promoting tourism in the area serviced by the Region by maximizing the leverage of investment.
- 5. DBC's program areas such as "Regional Travel Media Relations", "Regional Travel Trade" and "Community Partnerships" will meet regularly with regional representatives to determine regional activities that will be funded by DBC.
- 6. In the event of a dispute, controversy or claim arising out of or relating to this Agreement, or the breach, termination or invalidity hereof, the parties in the first instance are encouraged to resolve their differences through friendly consultations at the program level. Initially this will take place amongst the provincial and regional program level staff involved. If necessary, concerns will be escalated to include the Manager, Regional Partnerships; Regional President; along with the respective Program Area Team Lead and/or the related Director of the program area in question if not already engaged. In the unlikely event that it is necessary, further resolution may be sought via the inclusion of the Director, Partnership Marketing and Region's Board Chair or Board Designate. A decision will be deemed final and rendered by the Director, Partnership Marketing upon reviewing all pertinent information from all parties.
- 7. The parties agree that the details of the Deliverables and Timelines are contained within the Statement of Work.
