Tourism Training Resources for COVID-19 and More

With COVID-19 creating challenges for tourism businesses around the province, it's essential to be ready for re-opening, recovery and resiliency. Here is a list of free and for-a-fee tourism training resources you can use for your business, your employees, and yourself to help to navigate our new reality.

Destination BC Learning Centre

Access [free resources and tools, featured articles, guides, templates, and videos](#) such as:

[The Road to Recovery Webinar Series:](#)

- Each webinar will cover a subject related to the travel market, the visitor experience, business operations, digital marketing and more.

Other recommended resources:

- [5 Steps to Manage Your Online Presence During Recovery](#)
- [10 Tips for Optimizing Your TripAdvisor Listing](#)
- [Is Your Business Digitally Ready?](#)
- [Give Your Website a Refresh](#)
- [Think Accessibility: General Tip Sheet](#)

Small Business BC
