

## Appendix 1.2 Five-Year Strategic Business Plan

A municipality, regional district or eligible entity interested in applying for the Municipal and Regional District Tax or a renewal of the Municipal and Regional District Tax must submit an application as set out in the MRDT Program Requirements. A Five-Year Strategic Business Plan is required **at time of application**. This Five-Year Strategic Business Plan must include a detailed One-Year Tactical Plan for the first year of program implementation. Each year (years two through five of the program), the One-Year Tactical Plan must be updated and resubmitted (by November 30<sup>th</sup>) to reflect current marketing activities for the year as part of the annual reporting obligations. A separate template has been provided to guide the development of these year two through five plans (refer to Appendix 2.3).

The Five-Year Strategic Business Plan must encompass the five-year period covered by the application and it **must** include the following elements:

- Section 1: Five-year strategic overview with identified targets and actions for the five year period
- Section 2: One-Year Tactical Plan with performance measures, and
- Section 3: Detailed Budget for Year One

Your Five-Year Strategic Business Plan must adhere to the MRDT program principles.

Please ensure there is alignment between provincial tourism strategies and community tourism efforts. The applicant and designated recipients not subject to renewal applications are required to make their Five-year Strategic Business Plan available to tourism industry stakeholders and accommodation providers as part of the industry consultation and accommodation support requirements.

Your Five-Year Strategic Business Plan must identify marketing strategies, key markets and targets that the community will focus on to build its tourism business and the steps it needs to take to achieve desired results.

Your Five-year Strategic Business Plan should answer the following key questions:

- What business objectives related to tourism does your community expect to achieve?
- What type of growth does your community want to achieve (in the short and long term)?
- How will your community achieve these objectives?
- What type of tourism products will you need?
- What type of visitor are you hoping to attract?

Please contact Destination British Columbia at [MRDT@destinationbc.ca](mailto:MRDT@destinationbc.ca) for any questions.
