Destination British Columbia acknowledges with gratitude the xʷməθkʷəy̓əm (Musqueam Indian Band), Sḵwx̱wú7mesh Úxwumixw (Squamish Nation), and səliwətaʔ (Tseil-Waututh Nation) on whose shared territories we operate our main office.

We further recognize with gratitude that we carry out our work on the lands of First Nations throughout the province. We honour our ongoing relationships with Indigenous Peoples and First Nation communities around BC, and we commit to continuing to work together.

GREAT BEAR RAINFOREST

ABOUT THIS TOURISM REGION

The Cariboo Chilcotin Coast (CCC) tourism region has about 1.3% of the population of BC, or over 74,000 residents.⁴ Starting at the lakes and canyons in the heart of BC in the Cariboo, CCC moves west through the Chilcotin plateau and meets the Great Bear Rainforest along the coast. Urban centres include Williams Lake, Quesnel, 100 Mile House, Lillooet, and Bella Coola.

The following chart illustrates the evolution of tourism employment in BC from 2012 to 2022, broken down into five key sectors. Over this period, the tourism industry demonstrated overall growth despite a significant downturn in 2020 due to the global pandemic. Accommodation and food services consistently remained the largest employer in the tourism sector, showing remarkable recovery and growth from 33,600 FTEs in 2020 to 83,100 FTEs in 2022, surpassing pre-pandemic levels and highlighting the sector's resilience and importance to the provincial economy.

Provincial Tourism Employment by Year (FTEs)

The hospitality workforce in BC—including those working in tourism—demonstrates significant diversity, with 40% of workers identifying as visible minorities and 31% as immigrants, both higher than provincial population averages of 35% and 31% respectively. The sector employs workers across accommodation, food & beverage, recreation & entertainment, and transportation services, with food & beverage being the largest employer. While Indigenous representation in the workforce matches the provincial average at 5%, the sector shows particularly strong multicultural employment in accommodation and food & beverage services, demonstrating tourism's role in providing significant employment opportunities for diverse communities.²²

Top Regional Markets

Most travellers to CCC in 2023 were from BC, with residents contributing 80% of the total nights spent in the region followed by 10% for Alberta. The top international market is Germany at 2%.²³
