1. Overview

The purpose of this document is to outline the requirements for the Municipal, Regional, and District Tax Program (“MRDT program”) and provide guidance and assistance to municipalities, regional districts, and eligible entities (“designated recipients”) applying for or renewing the Municipal, Regional, and District Tax (“the tax”) within their communities. This document includes application materials and other forms and templates to assist with application, renewal, and reporting requirements.

Designated Recipient: *The municipality, regional district or eligible entity that receives the revenue from the tax in a designated accommodation area.*

2. Enabling Legislation

Section 123 of the *Provincial Sales Tax Act* (refer to http://www.bclaws.ca/civix/document/id/complete/statreg/12035_00)

imposes a tax of up to three percent on the purchase price of accommodation in a specified geographic area of the province (“designated accommodation area”) on behalf of a designated recipient.

Designated Accommodation Area: *A specified geographic area of the province in which the tax will be applied on behalf of a designated recipient.*

3. Program Purpose

The purpose of the MRDT program is to assist designated recipients to fund tourism marketing, programs and projects.

The MRDT program is jointly administered by the Ministry of Finance, the Ministry of Jobs, Tourism and Skills Training, and Destination British Columbia.

The MRDT program is one of a number of supports available to enhance tourism marketing in BC. The MRDT program is intended to help grow BC revenues, visitation and jobs, and amplify BC’s tourism marketing efforts in an increasingly competitive marketplace. To promote a coordinated and efficient use of funds, the following **MRDT program principles** have been adopted:

- Effective tourism marketing, programs and projects
- Effective local-level stakeholder support, and inter-community collaboration
- Marketing efforts that are coordinated and complementary to provincial marketing strategies and tactics
- Fiscal prudence and accountability.

4. Eligible Use of Funds

The *Designated Accommodation Area Tax Regulation* (refer to http://www.bclaws.ca/civix/document/id/complete/statreg/93_2013) sets out the authorized purposes

for funds collected under the MRDT program. Authorized purposes are tourism marketing, programs and projects, and any other prescribed purposes as set out in the regulation.

The MRDT program is intended to contribute to the increase of local tourism revenue, visitation, and economic benefits and should be supported by both local governments and tourism industry stakeholders.

Funds from the MRDT program should augment current funding and cannot be used to replace existing sources of tourism funding in a community.

As the MRDT program is intended to primarily fund tourism marketing, programs and projects, consideration will only be given in special circumstances to the financing of capital expenditures such as new tourism facilities or infrastructure. Proposals for capital spending must be included in the designated recipient's Five-Year Strategic Business Plan, and must demonstrate strong local stakeholder support in order to be considered as an authorized use of MRDT program funds. These proposals will be approved on a case-by-case basis by the Province of British Columbia ("the Province".) Applicants must contact Destination British Columbia program staff prior to submitting an application including capital expenditures (refer to Section 13: Further Information).

Designated recipients are expected to effectively manage administrative costs related to MRDT projects. Administration costs, where applicable, include:

- Management and staff unrelated to program implementation
- Finance staff
- Human Resources staff
- Board of Directors costs
- Employee-related information technology costs (i.e. computers, telephone, support, network connections)
- Office lease/rent
- General office expenses

Considerable scrutiny will be applied to ensure that MRDT program funds are used for authorized tourism purposes.

5. Eligible Applicants

5.1 Designated Recipients

The following are eligible to be a designated recipient under the MRDT program:

- Municipalities
- Regional districts
- Eligible entities.

Under the *Provincial Sales Tax Act*, to qualify as an eligible entity, an applicant must:

- Be a not-for-profit business association (e.g. a society incorporated under the *Society Act*; entities incorporated under the *Business Corporations Act* are not eligible). Note that a not-for-profit society whose specific purpose is tourism marketing is preferred.
- Have a place of business in the designated accommodation area

- Be actively engaged in tourism marketing, programs or projects in the designated accommodation area.

5.2 Designated Accommodation Area

The designated accommodation area may be:

- A whole municipality, but not a portion of a municipality
- A whole regional district or a portion of a regional district
- A combination of municipalities and portions of regional districts.

The tax may be levied in more than one municipality or regional district on behalf of a single designated recipient.

There can be no overlap with any other designated accommodation area in which the tax applies.

Generally, an electoral area is the smallest portion of a regional district that may be prescribed as a designated accommodation area.

5.3 Delegation of Administration

Municipalities and regional districts may either administer the MRDT program directly or delegate administration to a service provider (such as a destination marketing organization). The municipality or regional district remains the designated recipient and remains fully responsible for compliance with all MRDT program requirements.

Eligible entities are not permitted to delegate the administration of the MRDT program to a service provider.

The Province does **not** mediate disputes between municipalities or regional districts and their service providers. A service agreement that details the deliverables and conflict resolution procedure is strongly recommended.

6. MRDT Program Overview

6.1 How the MRDT Program Works

Applicants may apply to request that the Province levy the tax on their behalf in a designated accommodation area.

The tax applies to purchases of taxable accommodation within the designated accommodation area. The tax is collected by the Province on behalf of the designated recipient.

The Province charges each designated recipient a fee to recover the cost to government for administering and enforcing of the tax. The fee is \$20 per month per accommodation provider in the designated accommodation area and is subject to change.

Funds equal to the tax collected in the designated accommodation area minus the administration fee are forwarded to the designated recipient on a monthly basis.

For new and renewal applications, the tax will be implemented for a period of five years. To extend the tax for an additional five-year period, a designated recipient must re-apply. There is no restriction on the number of times a designated recipient can apply to renew the tax.

Under the *Provincial Sales Tax Act*, **all** designated recipients must account annually to the Province on how MRDT program funds are spent (refer to Section 10: Annual Performance Management and Reporting Requirements).

6.2 Three Percent Rate

The *Provincial Sales Tax Act* was amended in 2015 to increase the maximum tax rate on the purchase of accommodation that may be imposed in a designated accommodation area from two percent to three percent of the purchase price of the accommodation.

Increasing the rate of tax is optional. A designated recipient may request a change in the rate of the tax to three percent of the purchase price of the accommodation prior to their renewal date by submitting a complete application containing all requirements listed in Section 7: Application Requirements. If approved, the tax will be renewed at the new rate for another five-year period. Designated recipients not subject to renewal requirements will be required to submit a complete application for the new rate one time only.

It is intended that designated recipients implementing a rate of three percent will sponsor and contribute to a provincial Tourism Events Program. Under this program, 0.2 percentage points of the incremental one percent of the tax will contribute to a provincially-led program to support tourism events that are expected to increase tourism to or within British Columbia.

Designated recipients with a three percent tax rate will be subject to enhanced reporting requirements (refer to Appendix 2.2 for further details).

6.3 Key Timelines

New applications for the tax and applications for rate changes must be submitted at least **nine** months in advance of the desired effective date of the tax.

Renewal applications must be submitted at least **six** months in advance of the end of the five-year term of the tax (“repeal date”).

Under extraordinary circumstances, designated recipients may make a written request to the Minister of Finance for an extension of the application deadline.

Failure to submit a completed application by the deadline may result in the tax ceasing to apply in a particular designated accommodation area.

7. Application Requirements

New applications, rate changes, and renewal application requirements include consultation and support from local governments, tourism industry stakeholders and accommodation providers. The application must include **all** of the following information and be submitted as a single complete package:

- A completed application form (refer to Appendix 1.1) signed by an authorized signing authority of the municipality, regional district or eligible entity that confirms that all program requirements have been met and all required documents are included in the application package.
- A Five-Year Strategic Business Plan with first year tactical details that meets all the requirements set out in Appendix 1.2. The applicant is required to make its Five-year Strategic Business Plan available to tourism industry stakeholders and accommodation providers as part of the industry consultation and accommodation support requirements on page 7.
- Evidence that the funds from the tax are incremental to existing sources of tourism funds. The funds from the tax are intended to augment current funding and cannot be used to replace existing sources of tourism funding in a community. An applicant must note any additional funding sources that will be available to support the Five-Year Strategic Business Plan.
- Evidence of consultation and support from local governments.
 - **If a municipality is applying,** the municipality must provide evidence that the regional district has been consulted and indicate whether the regional district supports or opposes the imposition of the tax in the municipality. Evidence could be in the form of a letter from the regional district's Board of Directors.
 - **If a regional district is applying,** the regional district must provide evidence that all municipalities within the regional district have been consulted and agree with the tax being imposed in the regional district. Evidence must be in the form of letters of support from the municipality(ies).
 - **If an eligible entity is applying,** the entity must provide evidence that all municipalities and regional districts within the designated accommodation area have been consulted and agree with the tax being imposed in the designated accommodation area on behalf of the eligible entity. Evidence must be in the form of letters of support from the municipality(ies) and regional district(s).
 - In the case of a conflict between a municipality, regional district or eligible entity about who the designated recipient is for an application or whether the tax should be imposed in a municipality, priority will be given to the position of the municipality.
- Evidence of authority and request to impose the tax.
 - **If a municipality is applying,** the municipality must pass a bylaw that requests the Province levy the tax on its behalf and provide a copy of the bylaw with the application.
 - **If a regional district is applying,** the regional district must pass a resolution that requests the province levy the tax on its behalf and provide a copy of the resolution with the application. The regional district must also provide evidence of its authority to use funds for the intended purpose either through letters patent or statutory authority.
 - **If an eligible entity is applying,** the eligible entity must submit a letter that requests the province levy the tax on its behalf. The eligible entity must also provide evidence of its

- authority to use funds for the intended purpose by submitting copies of its certificate of incorporation, articles of incorporation, constitution and bylaws.
- The bylaw, resolution or letter must contain the following information:
 - Rate of tax to be imposed
 - Description of the geographic area in which the tax is to be imposed
 - Purpose for the funds
 - Desired effective date of the tax.
 - Documentation on how the MRDT program, including revenue, will be administered (e.g. directly by the designated recipient or through a service provider). If a municipality or regional district is proposing to delegate administration of the program to a service provider, the name and address of the service provider must be included.
 - Evidence of consultation with tourism industry stakeholders
Evidence that the applicant has consulted with and received broad support from tourism industry stakeholders within the designated accommodation area in respect of the application. The applicant is required to make its Five-year Strategic Business Plan available to tourism industry stakeholders. Examples of consultation activities could include presentations at town hall meetings, annual general meetings and information sessions.
 - An Accommodation Directory Form that lists all of the accommodation providers who offer accommodation that is taxable under the *Provincial Sales Tax Act* within the designated accommodation area, and the number of units each accommodation provider offers within the designated accommodation area (refer to Appendix 1.3). While the Province is able to provide an applicant with the names and addresses of registrants under the *Provincial Sales Tax Act*, it remains the responsibility of the designated recipient to ensure the accommodation directory is a complete and accurate list. For further information on taxable and exempt accommodation, please see PST Bulletin 120 Accommodation (refer to http://www.sbr.gov.bc.ca/documents_library/bulletins/pst_120.pdf).
 - An Accommodation Sector in Support of MRDT Form (refer to Appendix 1.4) that provides evidence that an applicant has sufficient support from accommodation providers who offer taxable accommodation within the designated accommodation area. The minimum required level of support is at least 51 percent of the accommodation providers representing at least 51 percent of the total number of units of accommodation offered by those accommodation providers in the designated accommodation area. Higher support from accommodation providers will increase the likelihood that an application will be approved, providing all other requirements are met. The

Tourism industry stakeholders: Examples may include, but are not limited to, the following within the designated accommodation area:

- Accommodation providers;
- Attractions, sightseeing, activities and other primary tourism businesses;
- Restaurants, retail and other tourism related businesses;
- Regional and local tourism associations;
- Product Sector organizations;
- Parks and recreation;
- Visitor Centres; and
- Other government agencies and organizations that have programs and services that relate to tourism.

For more information on taxable or exempt accommodation refer to PST Bulletin 120 Accommodation http://www.sbr.gov.bc.ca/documents_library/bulletins/pst_120.pdf.

applicant is required to make its Five-year Strategic Business Plan available to accommodation providers.

- Confirmation that Destination British Columbia has been consulted to ensure that proposed spending is coordinated and does not duplicate Destination British Columbia's broader promotional programs and is complementary to provincial marketing strategies and tactics.
- Third Party Authorization Form. If the designated recipient wishes the Province to discuss the application with their service provider the designated recipient must sign and submit the Third Party Authorization Form (refer to Appendix 1.5).
- Disclosure of Information Authorization Form. Applicants must authorize the Ministry of Finance to share information about the designated recipient in respect to the MRDT program with Destination British Columbia and the Ministry of Jobs, Tourism and Skills Training for the purpose of program administration and evaluation, and development of provincial tourism policy (refer to Appendix 1.6).
- A signed Tourism Events Program Sponsorship Undertaking if the application is for a three percent tax rate (refer to Appendix 1.7).

8. Application Procedure

Complete application packages must be submitted in PDF format by email to Destination British Columbia (MRDT@destinationbc.ca). The applicant will receive an email from Destination British Columbia confirming receipt of the application package.

Applicants may be contacted to provide additional information.

Failure to provide complete and accurate information may result in the application being delayed, returned or rejected.

Applicants can find more information about application timelines in Section 6.3.

9. Upon Approval of Application

If the application is approved by Cabinet, the *Designated Accommodation Area Tax Regulation* will be amended to prescribe the designated recipient, the designated accommodation area, the rate of tax, the effective date of the tax, the repeal date of the tax if applicable, and the approved uses of the revenue from the tax for a five-year period.

The applicant will be informed by the Ministry of Finance when the amendment to the *Designated Accommodation Area Tax Regulation* has been made and will be given information on when the tax will come into effect.

For new applications, the tax will be implemented effective the first day of the month that is three full months after the month in which the tax was approved. For example, if Cabinet approves the tax in

May, the tax will be implemented in the designated accommodation area beginning September 1. This provides sufficient time for accommodation providers to prepare to collect the tax.

For rate changes, the new tax rate will be implemented effective the first day of the month that is one full month after the month in which the tax was approved. For example, if Cabinet approves the tax in May, the new tax rate will be implemented in the designated accommodation area beginning July 1.

The Consumer Taxation Programs Branch of the Ministry of Finance will provide information on the procedures for collecting and remitting the tax to all accommodation providers required to collect and remit the tax. Accommodation providers may also refer to PST Bulletin 120 *Accommodation* (refer to http://www.sbr.gov.bc.ca/documents_library/bulletins/pst_120.pdf).

10. Annual Performance Management and Reporting Requirements

Under the *Provincial Sales Tax Act*, all designated recipients must account annually to the Province for how money received from the tax has been spent. Therefore, **all designated recipients** must submit an **Annual Performance Report**, a **Financial Report**, and a **One-Year Tactical Plan**, signed by the authorized signing authority of the designated recipient, annually to the Province (email to MRDT@destinationbc.ca).

Annual Performance Report:

- Designated recipients must report on performance metrics related to the four MRDT program principles.
- Designated recipients with a three percent tax rate will be subject to additional reporting requirements.
- The Annual Performance Report must also include a summary of the tactics, activities and key outputs and outcomes.
- A template for the Annual Performance Report is provided in Appendix 2.2.
- **The Annual Performance Report must be submitted by April 30 of each year.**

The MRDT program principles are:

- *Effective tourism marketing, programs and projects*
- *Effective local-level stakeholder support, and inter-community collaboration*
- *Marketing efforts that are coordinated and complementary to provincial marketing strategies and tactics*
- *Fiscal prudence and accountability.*

Financial Report:

- The Financial Report must include a detailed budget for the year ending and the year ahead. The Financial Report must show how all of the money received from the tax was spent and certify that all of the money received from the tax was used solely for approved purposes.
- The Financial Report must show that spending of money received from the tax was consistent with the Five-Year Strategic Business Plan.
- The Financial Report must also show the amounts, sources, and uses of all other tourism revenues.
- A template for the Financial Report is provided in Appendix 2.1
- **The Financial Report must be submitted by April 30 of each year.**

One-Year Tactical Plan:

- The One-Year Tactical Plan must include:
 - A brief overview of the strategic direction from the Five-Year Strategic Business Plan.

- Key strategies for the year, if different from the Five-Year Strategic Business Plan, and key target markets.
- Detailed tactics for the next year, including details about tactics and activities, as well as a proposed budget for the next year.
- Performance measures for next year, including expected outputs, outcomes, and performance metrics. The performance measures must relate to the MRDT program principles (as outlined in Appendix 2.2).
- The One-Year Tactical Plan should be made available to tourism industry stakeholders.
- A suggested template for the One-Year Tactical Plan is provided in Appendix 2.3.
- **The One-Year Tactical Plan must be submitted by November 30 of each year, commencing November 30, 2016.** If plans are available earlier, please submit as they become available.

Please note:

- Designated recipients from larger communities (those that have the capacity for ongoing multi-year planning and reporting) may be asked to provide their multi-year rolling business plans annually for the purpose of program administration and evaluation.
- Designated recipients not subject to the renewal application requirements must submit a Five-Year Strategic Business Plan every five years. The first Five-year Strategic Business Plan must be submitted to the Province **by November 30, 2016.**

11. Amendments

The *Designated Accommodation Area Tax Regulation* sets out the designated recipient, the designated accommodation area, the rate of the tax, the repeal date of the tax, and the approved uses of the revenue from the tax for a five-year period. Any other use of the revenue is prohibited.

Requests for interim changes to the designated recipient or the designated accommodation area will not be considered. Changes to the designated recipient or the designated accommodation area can only be made in a renewal application.

Proposed changes in the use of revenue from the tax by the designated recipient that require amendments to the *Designated Accommodation Area Tax Regulation* will generally only be considered with renewal applications, for example, a proposal to use revenue from the tax for capital projects.

Designated recipients do not require approval from the Province for changes in marketing tactics previously submitted in their one-year Tactical Plan (as part of their application package or submitted with the annual review), as long as the tactics are consistent with the overall approved five-year Strategic Business Plan.

Any other material changes, that are significant shifts in the direction set out in either the One-Year Tactical Plan or the Five-Year Strategic Business Plan, must be submitted to Destination British Columbia for approval in advance of the change being implemented.

12. Monitoring, Compliance, and Termination

Designated recipients are required to comply with all MRDT program requirements, including eligible use of funds and annual reporting requirements. The Minister of Finance may terminate the tax in a designated accommodation area if the designated recipient is found to be in non-compliance with MRDT program requirements, and the non-compliance is not corrected in a timely manner.

The Ministry of Finance undertakes various compliance related activities as part of the administration of provincial consumption taxes, including the MRDT program, to ensure that all amounts due are remitted. The tax is levied under the *Provincial Sales Tax Act*. Any compliance activities undertaken in relation to the tax are carried out as part of those conducted for the Provincial Sales Tax (“PST”) according to the schedules and guidelines established for PST.

The Ministry of Finance will review specific lead information provided (for example, a hotel operating without collecting applicable taxes) and will make a determination as to whether any additional follow up may be necessary. The Ministry may conduct any further investigation deemed warranted.

A designated recipient may make a written request to the Minister of Finance to have the tax cease before the scheduled repeal date.

If the tax ceases in a designated accommodation area for any reason (e.g. failure to submit a completed renewal application on time, written request for early termination, or termination for non-compliance) a new application to impose the tax in that designated accommodation area would be required and it would be subject to the normal processing time associated with new applications.

A municipality, regional district or eligible entity interested in applying for the Municipal and Regional District Tax or a renewal of the Municipal and Regional District Tax must submit an application as set out in the MRDT Program Requirements. A Five-Year Strategic Business Plan is required **at time of application**. This Five-Year Strategic Business Plan must include a detailed One-Year Tactical Plan for the first year of program implementation. Each year (years two through five of the program), the One-Year Tactical Plan must be updated and resubmitted (by November 30th) to reflect current marketing activities for the year as part of the annual reporting obligations. A separate template has been provided to guide the development of these year two through five plans (refer to Appendix 2.3).

The Five-Year Strategic Business Plan must encompass the five-year period covered by the application and it **must** include the following elements:

Please ensure there is alignment between provincial tourism strategies and community tourism efforts. The applicant and designated recipients not subject to renewal applications are required to make their Five-year Strategic Business Plan available to tourism industry stakeholders and accommodation providers as part of the industry consultation and accommodation support requirements.

Your Five-Year Strategic Business Plan must identify marketing strategies, key markets and targets that the community will focus on to build its tourism business and the steps it needs to take to achieve desired results.

Your Five-year Strategic Business Plan should answer the following key questions:

- What business objectives related to tourism does your community expect to achieve?
- What type of growth does your community want to achieve (in the short and long term)?
- How will your community achieve these objectives?
- What type of tourism products will you need?
- What type of visitor are you hoping to attract?

Please contact Destination British Columbia at MRDT@destinationbc.ca for any questions.

For more information on tourism business planning, please visit Destination British Columbia's website (refer to www.destinationbc.ca/Resources/Developing-a-Tourism-Plan.aspx).

Tourism Events Program Overview

British Columbia's tourism sector is a key economic driver in the provincial economy, helping to create jobs and keep the province diverse, strong and growing. British Columbia is an internationally renowned destination, with spectacular communities in close proximity to wilderness, and an excellent reputation for delivering remarkable experiences for travellers.

Understanding that tourism is one of the world's most competitive industries, the Province has launched a new **Tourism Events Program**, designed to support world class events that can enhance the volume of visitors to British Columbia and increase global recognition for the province.

Building on the successes British Columbia has seen through events with high tourism value and provincial significance, such as the FIFA World Cup and the Canada Winter Games, the Tourism Events Program will support a wide range of events, including arts, cultural or internationally recognized competitive sporting events.

Funding available through the Tourism Events Program is **limited** and it is expected that there will be considerable interest. Funding will be prioritized to only support events that offer the following opportunities for the province:

- Raise awareness nationally and internationally of British Columbia's tourism brands; and
- Motivate Canadians and people from around the world to travel and experience British Columbia's natural beauty and/or world class infrastructure.

All applications must further meet the following criteria. **The events must:**

1. Offer **high tourism value**, resulting in incremental visitor expenditures and other economic benefits that exceed the Province's contribution (such as: lengthen the tourism season; expanded event scope to encourage longer visitation);
2. Engage the local community(ies) and **attract a significant volume of visitors**;
3. Align with provincial, regional and/or community tourism **marketing strategies**; and
4. Be **supported** by the local community(ies).

Only proposals meeting all the program criteria will be considered. Priority will be given to proposals that offer the greatest tourism and economic impact.

Applying for the Tourism Events Program

All event proposals must include the following information:

- A **description** of the proposed event and how the event criteria are met.
- An event **business case** including funding sources, business model, and level of support from the community(ies), local stakeholders and relevant organizations, and strategies to ensure event success.
- **Target market(s), participants and strategies** to attract national and international attention.
- Analysis on the **return on investment** and anticipated **tourism and economic benefits** to the host community(ies) during the event period, these can include:
 - Expected visitation or hotel occupancy;
 - Expected tourism revenue;
 - Expected local employment;

- Expected media exposure;
- Expected number of national and international media on site; and
- Expected **long-term** tourism, social and economic benefits to British Columbia.

All event proposals will be assessed according to the stated program criteria and applicants must be prepared to demonstrate how their proposals meet these criteria.

A final event report, including key tourism and economic outcomes, is required for all funded projects.

Funding recipients must demonstrate a coordinated and effective use of program funds.

Inquiries and event proposals can be sent to MRDT@destinationbc.ca
